MADE WITH CARE

Made with care from our 2024 harvest, this Pinot Gris begins with soft floral and spice notes that hint at what's to come. On the palate, bright citrus and juicy pear meet crisp apple and a whisper of honeysuckle – a reflection of quiet craftsmanship and the hands that guided it.

PINOT GRIS 2024 | CENTRAL VICTORIA

Sourced from vineyards in the premium wine regions of Victoria this is a complex, textural and slightly savoury Pinot Gris with aromatic nuances of pears, lychees and exotic spice. Hints of spicy pear and red apple appear on the palate, combining beautifully with the clean and crisp finish.
