2023 'The Chase' Semillon

Origin: Hunter Valley, Australia

Technical Data

Alcohol: 10.5%

pH: 3.06

TA: 6.9 g/L

RS: 3.0 g/L

Tasting Note:

This Semillon is produced from old vines grown at some of the most highly regarded terroirs in the Hunter Valley. Sandy soils, low-cropping vines, and ruthless fruit selection have combined to deliver a wine showing characters typical to premium Semillon produced from this area; lemongrass, lime, and green apple flavours carried over a pure line of natural acidity. We expect this Semillon to age gracefully over the next 5 to 10 years.
