### WINEMAKING

*Our Prosecco is crafted with fruit grown in South Eastern Australia. This sparkling wine sees the grapes harvested relatively early in the season and crushed during the cooler hours of the day to retain fresh varietal flavour. Specially selected yeast strains are added and primary fermentation is held at low temperature in stainless steel to preserve the delicate fruit character. The carbonation makes it lighter and less yeasty than other sparkling wines.*

### TASTING NOTE

*A deliciously zesty Prosecco with a fine, light spritz. The seamless floral aromatics support a core of punchy crisp lemon, apple and pear.*

### FOOD MATCH

*The ideal way to celebrate with your tribe. Pop a bottle and share with some pre-meal nibbles. A classic antipasto or cheese platter will suit any occasion.*
